Hardwood Pen Boxes

Welcome to Pens by Uwe

Pensbyuwe.com is the home of hand-crafted pens and wooden gifts. We hope you enjoy looking around our site for that special gift to buy for your special someone or occasion.

In a painstaking process finest woods such as grenadil, boxwood, palisander and rosewood are transformed into exquisite writing utensils. Each piece takes time to design and create. From a couple of days to several, each process involves concept and creation, forming the materials to my high standards and expectations, and providing unparalleled customer service.

The Big Ben Cigar Pen

The Big Ben Cigar Pen is a slender design, ideal for those who want a smaller, truly elegant writing Instrument. These Pens is presented in Rhodium and 24KT gold and brushed Satin. The woods are from left to right Ebony, South African Zebra wood, Cocobolo and Vitae wood.

This big Pen are handsome, powerfully built writing instruments. Black and gold with brushed satin accents adds style and elegance to this gentlemen's favorite. Available in brushed satin or Rhodium.

Black Slim Line Pen

Slim Line Pen and Pencils, their sleek, refined design which makes them an exceptionally popular gift Rhodium is the most durable finish in tarnish proof and resists scratching and staining.

Bubinga Wood High end Pen Box
